There is also some evidence and direction to some evidence against their father on my Instagram account: <https://www.instagram.com/ascjak/>. Sean and Cate have been **severely** gaslit about me for over two years and there has literally been nothing that I have been able to do about it. They were supposed to have been in counselling but their father refused. Now, they believe that I am “delusional” which, I assure you, I most certainly am not.

What services does Merivale High School offer for victims of domestic violence; specifically, parental alienation and child alienation? Is there a guidance counsellor who can find out what my two children currently “believe” so that I can figure out how to, eventually, help them heal from this disaster of a divorce?

Thank you.

**Subject:** Concern for the emotional well-being of Sean and Cate Kiska

Good morning,

Would one of you please tell me how my children, Sean Kiska and Cate Kiska, are doing? They have been denied my love and protection for over two years as described here: [http://pfi.rocks/enterprise\\_archives\\_202103/](http://pfi.rocks/enterprise_archives_202103/). There are also some details on my Twitter account @CaeJak if you are worried about the link to my advocacy site. Their father is a wicked malignant narcissist (i.e. high-functioning sociopath) who has been gaslighting our children for years.

Anything to know that they are surviving this ordeal (or not) would be appreciated. Also, if any of you have any resources on how to heal from parental alienation and/or child alienation I would greatly appreciate it as I hope to be re-united with them soon.
